## Ecuadorian Mission Trip Jan. 14-25<sup>th</sup>, 2024.

### Itinerary:

Dates: Sunday, Jan. 14<sup>th</sup> through Monday Jan. 22<sup>nd</sup>.

We will stay and eat in hotels. Right now, we will be in the highlands, approximately 11,000 feet! We will be on or near the equator, springtime temperatures. We will be sharing God's plan of salvation to families that have been prescreened by the local missionaries. We will have a "tabbed" Bible and will present the plan of salvation in sequential order. We will be working through a trained interrupter that will stay with us the whole time. We will never be on our own.

Travel will be by flight, approximately 8-10 hours. We will fly into Quito, Ecuador and travel by buses or vans to our destination about 2 hours away. Your passport needs to be active and will not expire 6 months from the trip dates. (Needs to be in effect till at least August 2024 to be safe).

### Considerations:

The cost of the trip will probably be around \$1,200-1,500. The cost will depend on flight expenses. Payments will be made to the church, and they will transfer the money when it's time.

July 30<sup>th</sup> \$250

Aug. 30<sup>th</sup> \$500.

Sept. 30<sup>th</sup> \$500.

Oct. 30<sup>th</sup> \$250 or the balance of anticipated expenses. We will be paying for our travel, lodging, the cost of the interrupter, and food. Any personal money is to be carried in \$20.00 bills. US Currency is spent there. Only credit cards for large purchases. Tips are expected by the interpreters and to buy their lunches daily. We will work in teams of 2 and 1 interpreter.

### Health concerns:

Possible altitude illness. Drink lots of water several days ahead of time.

Possible dysentery. We will only be drinking bottled water. While the water is safe, our systems are not used to that water.

Take bug spray and sunscreen and sturdy walking shoes.

Weariness – we will be busy! Same time zone as in MO.

Take your own necessary medicines.
